ECONOMIC GEOGRAPHY

INDEX TO VOLUME X

	PAGE		PAGE
Accessability Factor of Toledo	376	North Central Region, The	34
Acreage of major cultivated crops and number of horses and cattle in Hokkaido	366	Northern Section, The	19
Advantages of Location of Furniture of South Appalachian Piedmont	185	Northwest India	17
Agricultural Area, The, of China	115	Old Delta, The	18
Agricultural Methods on the Canaries, Fuerteventura and Lanzarote, Sören Jensen (illustrations)	99-108	Present Delta, The	18
Agriculture in Lanzarote	105	Punjab, The	21
Agriculture of Fuerteventura	101	Rolling Uplands, The	18
Areas of Irrigation	105	Sind	22
Climate	100	Southern Section, The	20
Dry Areas	104	Sub-Himalayas, The	16
Enarenar Areas	102, 105	Submontane Punjab	21
Irrigated Areas	102	Sundarbans, The	19
(Table)	102	Thar, The	23
Relief	100	Transition Punjab	21
Sources of Information	99	Upper Ganges Region, The	20
Vegetation	101	West Coast of the Deccan	30
Agricultural Occupation of Hokkaido, D. H. Davis (maps and graphs)	348-367	Western Border Region, The	26
Acreage of Major Cultivated Crops and Number of Horses and Cattle in (graph)	366	West Ghats	27
Agricultural Patterns and Practices	355	Agricultural Regions of Asia: Part VI—China, George B. Cressey (maps, tables, and illustrations)	109-142
Animal Industries	365	Agricultural Area, The	115
Average Monthly Temperature and Rainfall for Representative Stations of (graph)	352	Agricultural Regions	126
Climatic Conditions	351	(Map)	128
Crops and Crop Systems	356	Central Asiatic Steppes and Deserts, The	135
Future of Agriculture	366	Central Mountain Belt, The	135
Horses and Cattle (graph)	364	Climate and the Growing Season	112
Individual Crops	358	Climatic Regions (map)	113
Length of Frost-Free Season (graph)	353	Cotton (map)	125
Location Map	349	Crops	119
Number of Horses, Cattle, Swine, and Sheep (graph)	357	Crop Yields (table)	120
Oats Production (graph)	359	Cultivated Land (map)	121
Orchard Crops	363	Cultivated Land and Crops by Provinces (table)	118, 119
Planned Agricultural Economy and the Foreign Influence	350	Cultivated Land at Different Periods (table)	116
Potato Production	362	Farm Land by Provinces (table)	116
Rail Construction and Agricultural Occupation	348	Future Developments	124
Rice Production (graph)	358	Geographical Regions (map)	129
Rye and Buckwheat Production (graph)	360	Hills of Liangkang, The	140
Sericulture	364	Khingnan Mountains, The	135
Sheep and Swine (graph)	365	Literature	111
Snowfall for Selected Stations (graph)	354	Loess Highlands, The	131
Soy Bean and Pea Production (graph)	363	Manchurian Plain, The	133
Topography and Soils	351	Millet and Kaoliang (map)	124
Use of Land in Cultivated Crops (graph)	357	Mountains of Eastern Manchuria, The	135
Wheat and Barley Production (graph)	361	Mountains of Shantung, Liaotung, and Jehol, The	133
Agricultural Practices and Practices of Hokkaido	355	North China Plain, The	129
Agricultural Regions of Asia: Part V—India: Regional Description, Samuel Van Valkenburg (maps and illustrations)	14-34	Population (map)	117
Brahmaputra Valley	19	Red Basin of Szechwan, The	137
Ceylon	31	Rice (map)	122
Ceylon—Average Rainfall (map)	33	Soils	114
Ceylon—Natural Regions (map)	32	Southeastern Coast, The	139
Coastland Lowlands, The	32	Southwestern Tableland, The	141
Deccan Black Soil Region, The	26	South Yangtze Hills, The	139
Deccan Foreland, The	23	Tibetan Borderland, The	142
Deccan Plateau, The	25	Topographic Setting, The	111
Delta Region, The	18	Topography (map)	110
(Map)	18	Vegetable Civilization, A	114
Dry Punjab, The	22	Wheat (map)	123
East Coast Lowlands, The	33	Yangtze Plain, The	136
East Deccan Coast, The	23	Agricultural Regions of Asia: Part VII—The Japanese Empire, Robert Burnett Hall (maps, tables, and illustrations)	323-347
Eastern Deccan Red Soil Region, The	26	Agricultural Regions of (map)	331
Ganges-Brahmaputra Regions, The	17	Climatic Divisions and Provinces	325
Hills, The	34	Climatic Divisions (map)	327
Himalayas, The	16	Double and Single Cropping	339
India—Natural Regions (map)	15	Hokuroku District	334
Indus Region, The	21	Kita District	345
Jaffna Limestone Coastal Region, The	33	Kwanto District	337
Literature	14	Land and People	323
Middle Ganges Region, The	19	Location of Regions (map)	333, 341
Munda Region, The	24	Mean Annual Isotherms (map)	325
Mysore Upland, The	27	Mean Annual Precipitation (map)	329
		Minami District	346
		Nankai District	344
		Ou District	330
		Relative Summer and Winter Precipitation (map)	326
		San-In District	342
		Setouchi District	343
		Schichito-Maliauna District	338

	PAGE		PAGE
Soils (map)	324	Matlock Section, Farm Income (map)	281
Tokai District	339	Matlock Section, Valuation: Land and Buildings (map)	280
Tosan District	336	Property Ownership and Farming Tendencies	280
Agricultural Regions of China	126	Sand Hill-Girkin Section, Detailed Field Map	283
(Map)	128	Typical Cross-Section	277
Central Asiatic Steppes and Deserts	135	Bluegrass of Warren County, Kentucky	77
Central Mountain Belt	135	Book Reviews	319, 429
Hills of Liangkwan	140	Brahmaputra Valley of India	19
Khingan Mountains	135	Bremen, A Free Port	152
Loess Highlands	131	British Isles, The; A Geographic and Economic Survey, L. Dudley Stamp (review)	319
Manchurian Plain	133	Broken Southeastern Border of Warren County, Kentucky	94, 273
Mountains of Eastern Manchuria	135	Agriculture	270
Mountains of Shantung, Liaotung, and Jehol	133	Bottom Lands, The	275
North China Plain	129	Cultural Development	275
Red Basin of Szechwan	137	Outlook	276
Southeastern Coast	139	Physical Features	274
Southwestern Tableland	141	Timber	275
South Yangtze Hills	139	Transition from the Limestone Plain	274
Tibetan Borderland	142	Upland, The	275
Yangtze Plain	136	Canaries, Agricultural Methods on the, Fuerteventura and Lanzarote, Søren Jensen (illustrations)	99-108
Agricultural Regions of Japan (map)	331	Carlson, Albert S. and Weston, John, The Sweet Corn Industry of Maine (maps, graphs, tables, and illustrations)	382-394
Agricultural Utilization of Land of Carse of Gowrie	220	Carlson, Albert S., Problems in Foreign Trade (review)	430
Agriculture of East Tennessee Valley	44	Carse of Gowrie (map)	218
Agriculture of Fuerteventura, Canaries	101	Cattle of East Anglia	175
Enarenar Areas of	102	Cattle Sales of East Anglia	179
Dry Areas of	104	Center of Industry of Citrus Fruit Growing in Los Angeles	56
Irrigated Areas of	102	(Map)	56
Agriculture of Lanzarote, Canaries	105	Central Asiatic Steppes and Deserts	135
Enarenar Areas of	105	Central Mountain Belt of China	135
Irrigated Areas of	105	Ceylon, India	31
Agriculture of Pine Woods Region of Southeastern Texas	311	Average Annual Rainfall (map)	33
Alaska, Identification of (map)	419	Coastland Lowlands	32
Comparative Precipitation of Southeastern	421	East Coast Lowlands	33
Aluminum Products of East Tennessee Valley	50	Hills, The	34
Amic, H. C., The Great Valley of East Tennessee (maps, graphs, and illustrations)	35-52	Jaffna Limestone Coastal Region, The	33
Anderson, S. Axel, Location Factor in the Choice of Free Port Sites (maps, tables, and illustrations)	147-159	Natural Regions (map)	32
Animal Industries in Hokkaido	365	North Central Region	34
Annual Livestock Sales of East Anglia (map)	180	Chambers, William T., Pine Woods Region of Southeastern Texas (map, graph, and illustrations)	302-318
Annual Rainfall of Columbia Plateau Wheat Region	370	China, Editorial	opp. p. 109
Apple Industry of the Wenatchee Area, Otis W. Freeman (maps and illustrations)	160-171	China's Geographic Foundations; A Survey of the Land and Its People, George B. Cressey (review)	320
Apple Producing Areas of Washington	160	Church, The, in Warren County, Kentucky	209
Climate	160	Citrus Districts of the Los Angeles Basin (map)	56
Cost of Production and Apple Varieties	168	Citrus Fruit Industry of the Los Angeles Basin, The, Clifford M. Zierer (map and illustrations)	53-73
(Tables)	169	Center of Industry of Los Angeles Basin (map)	56
Distribution	170	Citrus Districts of Los Angeles Basin (map)	62
(Table)	170	Distribution of Citrus Districts	62
Harvest and Storage	166	Early Commercial Production	53
Irrigation	162	Human Relationships in the Industry	72
Land Ownership (map)	169	Importance of Inherent Tree Qualities	69
Location of Irrigated Areas of Chelan County (map)	161	Injurious Winds	70
Orchard Culture	163	Marketing Relationships	70
Orchard Farms	167	Necessity for Irrigation	66
(Table)	167	Pest Control	69
Soils	161	Physical Characteristics	57
Transportation	169	Relation to Soils	61
Varieties	168	Topographic Relationships	68
Apple Producing Areas of Washington (map)	160	Classification of Commodity Movement on the Rhine (graph)	260
Apple Shipments from Wenatchee Area in Car Loads (table)	170	Clay-land Farming of the Carse of Gowrie	225
Ardgaith-North Murie Farm of the Carse of Gowrie	236	Climate of Columbia Plateau Wheat Region (graph)	372
(Map)	235	Of East Tennessee Valley	39
Asia, Agricultural Regions of: Part V—India: Regional Description, Samuel Van Valkenburg (maps and illustrations)	14-34	Of Fuerteventura and Lanzarote, Canaries	100
Part VI—China, George B. Cressey (maps, tables, and illustrations)	109-142	Of Tobacco Region of North Carolina	240
Part VII—The Japanese Empire, Robert Burnett Hall (maps, tables, and illustrations)	323-347	Of Warren County, Kentucky	82
Attraction of Other Industries by Piedmont Furniture Industry	197	Of Wenatchee Area, Washington	160
Automobile, The, in Warren County, Kentucky	208	Climatic Conditions of Carse of Gowrie	221
Average Monthly Precipitation and Evaporation in Pine Woods Region of Southeastern Texas (graph)	312	Of Hokkaido	351
Average Monthly Temperature and Rainfall for Representative Stations of Hokkaido (graph)	352	Climatic Data of Carse of Gowrie (table)	222
Bay Oil Industry of St. John, Earl Shaw (map, graph, and illustrations)	143-146	Climatic Divisions and Provinces of Japan	325
Elevation in feet (graph)	143	(Map)	327
Identification Map	143	Climatic Regions of China (map)	113
Bear Grove, Guthrie County, Iowa (map)	298	Climatic Relationships in Citrus Fruit Growing in Los Angeles	62
Beginning and Development of Ore Shipping in Lake Superior Area	395	Clothing of Warren County, Kentucky	208
Beginning of the Decline of Skagway, Alaska	425	Coal Rates to Upper Lakes from Toledo (table)	379
Beneficiating of Lake Superior Iron Ores	397	Coal Shipments by Ports on Lake Erie (table)	379
Benloe Section of Warren County, Kentucky (map)	202	Columbia Plateau, Spring and Winter Wheat on the, Victor Roterus (maps and graphs)	368-373
Benloe Type Section of Warren County, Kentucky	89	Commercial District of Fish Harbor, Los Angeles	414
Between the Plain and the Hills of Warren County, Kentucky	277	Community Centers of Warren County, Kentucky	272
Future, The	283	Country Store, The	273
		Future, The	273
